Client testimonials

2023 Aloha 'Aina REALTOR Award Winner – Client Submission In April of 2022, a local resident made plans to move to the continent and turned to Denise L. Miyahira for help with selling their home. Denise aligned all the parties, and after a few weeks of repairs, the seller put the home back on the market and sold the property in November 2022. "There is no way that we would have been able to sell this property without taking major losses if it was not for the knowledge and patience of our agent," the seller says.

2020 Aloha 'Aina REALTOR Award Winner – Client Submission Sometimes, the process of selling a house can be frictionless; other times, not so much. "I am not sure words can describe how Denise Miyahira went above and beyond being my REALTOR for the sale of my sister's condo," says the seller. "Words cannot express my deep gratitude for everything Denise has done to be supportive through this process," says the seller. "I've detailed all the physical/mental tasks she did, but have not touched on her especial cheerfulness, unwavering support, caring, understanding and encouragement."

Jhonsen D When it comes to selling a property, the journey can be as important as the outcome. Denise exemplifies this philosophy with her exceptional service and dedication. She helped us sell our family's condo from end to end effectively. . I wholeheartedly recommend Denise to anyone looking to sell (or purchase) their property. With her by your side, you're not just selling/buying a space; you're ensuring peace of mind and a successful outcome.

Christel Collins Choosing Denise Miyahira to sell my Oahu home was one of the best decisions I have ever made. I owe Denise so much. I wish there was some kind of award I could nominate her for. She was the consummate professional and bent over backwards to meet me where I was. I will always be grateful to her, not just for her kindness, but also because her professionalism and expertise resulted in significant and lasting improvements in my life. Mahalo Denise!
